COMMITTEE ON FOREIGN RELATIONS

CARL MARCY, CHIEF OF STAFF
DARRELL ST. CLAIRE, CLERK

January 7, 1960

The Honorable
Allen W. Dulles
Director of Central Intelligence
Washington 25, D. C.

Dear Allen:

This will confirm tentative arrangements which Mr. Marcy has made with Mr. John Warner of your office relative to your appearance in Executive Session before the Committee on Foreign Relations at 2:00 p.m. on January 18.

It is my thought that your testimony and the Committee's questions should be directed principally toward recent developments within the Communist bloc and the impact those developments might be expected to have on the relative military and political postures of the United States and the Soviet Union.

Tentative arrangements have been made for Secretary Gates and General Twining to appear before the Committee the morning of the 18th to discuss our defense posture, with particular emphasis on the development of missiles.

Very truly yours,

J. W. Fulbright
Chairman
